

# GRAND *Firepeak* CUVÉE

## 2005 BAILEYANA - EDNA VALLEY, FIREPEAK VINEYARD GFC CHARDONNAY

Take the best of the vintage. The best blocks of the vineyard and endless hours in the cellar tasting through each individual barrel. The result, the finest Cuvee our Firepeak Vineyard and winemaker Christian Roguenant have to offer. Simply, our best of the best.

### Appellation & the 2005 Growing Season

The Firepeak Vineyard is located in the Edna Valley at the foot of Islay Mountain, the last in a chain of extinct volcanoes known as the Seven Sisters. Located just a few miles from the Pacific Ocean, our Firepeak Vineyard is the first to benefit from the cool maritime breezes funneling in from the Morro Bay. Everything Baileyana's owners, the Niven family, have learned in 30 years of research and grape growing has gone into this vineyard. The region is known for long summer days and distinctive evening fog, resulting in an extended growing season. This additional time on the vine allows the grapes to develop intense and complex varietal flavors while achieving optimum maturity levels. The 2005 vintage culminated in an extremely cool September, allowing the grapes to ripen at much lower brix levels, both in terms of phenolics and flavor. The result is a finished wine with full, ripe citrus flavors but without higher alcohol; very Burgundian.

### Winemaker, Christian Roguenant's Comments:

"Leading with rich pineapple and hints of pear, this wine is crisp, fresh and lively. Our trademark mineral qualities exist, along with lime and other citrus characteristics. Framed by warm brioche and sweet oak, it is smoothly textured and nicely balanced."

### Baileyana and Firepeak Vineyard Facts & Figures

- **Founded** in 1991 by Catharine Niven whose husband Jack pioneered the planting of grapes in the Edna Valley in the early 1970's.
- **Winemaker, Christian Roguenant:** Born and educated in Burgundy. Has made wine on 5 continents.
- **Firepeak Vineyard:** Planted to Pinot Noir (5 clones), Chardonnay (3 clones), and Syrah (3 clones). Total acreage of 192 acres.
- **Soils:** Nicknamed "Dirt of the Devil" - clay loam, rocky marine sediment, and volcanic remnants.
- **The Edna Valley:** Located in San Luis Obispo. Established as an AVA in 1982.
- **Winery:** Built in 1999 to Christian Roguenant's specifications. High tech in design, yet old world tradition is the foundation of our winemaking practices.
