TO CALIFORNIA WINE

## 2007 BAILEYANA

GRAND *Firepeak* CUVÉE

Edna Valley, Firepeak Vineyard

## Pinot Noir

**90** points

A well-mannered, medium full bodied wine that focuses first on ripe black cherry fruit filled out by notes of vanilla, brush and caramel. Its medium-depth flavors follow right in step and are attractively open to start before getting a bit firm and on the youthfully angular side. Allowing the wine three to five years in the cellar will bring out its balanced best.
